## **R. Stanton Avery Global Achievement Award**

### **ENTRY FORM**

Sponsored by Avery Dennison, this award reflects the values and vision of Stan Avery and his innovative breakthroughs that founded the label industry. The R. Stanton Global Achievement Award is awarded to an individual or team who meet the following selection criteria:

- Has contributed a significant innovation idea, or supported the growth of an innovative idea that has transformed and progressed the label industry.
- Has made a key contribution to the promotion and growth of the label industry.
- Has been a high profile industry influencer and motivator
- Operates on a national or international scale.
